# Sound BLASTER TACTIC<sup>3D</sup>

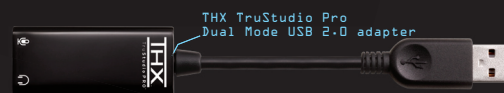

Experience the evolution of 3D gaming audio with the Sound Blaster Tactic<sup>3D</sup> Alpha and Sigma gaming headsets. Acoustically optimized drivers combine with THX® TruStudio Pro™ technology to transform everyday audio into a mind-blowing cinematic experience. Touchscreen software and TacticProfiles™ allow you to save and share your favourite settings including THX TruStudio Pro Surround for immersive 360° headphone surround and VoiceFX voice morphing technology. The dual mode design allows you to connect via standard minijacks or use the Dual Mode™ adapter to connect to your PC or Mac's USB port for the full THX TruStudio Pro experience.

## Alpha Dual Mode 3D Surround Gaming Headset

- Custom 40mm drivers for pulse racing bass
- THX TruStudio Pro Surround with customizable TacticProfiles
- Lightweight and durable design for marathon gameplay

## Sigma High Resolution Dual Mode 3D Surround Gaming Headset

- High-resolution 50mm drivers for premium audio performance and immersive quality
- THX TruStudio Pro Surround with customizable TacticProfiles
- Steel core headband for a precise fit with maximum durability
