International career partner at Aarhus BSS
International career partner at Aarhus BSS

At Aarhus BSS, we always work on improving the quality and relevance of our research-based education to ensure optimal employment opportunities for our graduates on national and international job markets. We set our standards high in terms of research and teaching, and we provide our graduates with strong competences that allow them to carry out a broad range of job functions in companies and organisations. The quality of our core activities is also reflected in the fact that Aarhus BSS has secured the prestigious international accreditations AACSB, AMBA and EQUIS, which are the leading international quality systems for assessing, improving and accrediting institutions of higher education within the field of management and business administration. The accreditations also signify that we have achieved a sound balance between high academic quality and professional relevance through close collaboration with the national and international business communities.

For this reason, we can safely say that a partnership at Aarhus BSS will give your organisation the best platform for recruiting highly educated young people with competences in fields such as business development, financing, HR, IT, law, management, marketing, psychology, auditing, political science, strategy, economics, etc. We offer a number of different partnership models tailored to meet your specific employer branding and recruitment needs.

I hope that this partnership brochure will be the start of a constructive and fruitful collaboration with Aarhus BSS.
